

### LIST OF APPROVED MAKES

#### NOTES: -

|   |  |
|---|--|
| 1 | Contractor shall supply ISI marked materials per the makes or brands indicated below as approved by the Engineer-in-Charge. In case the firm is not manufacturing ISI marked material for any of the brands, first quality material shall be accepted. The samples of the material shall in either case have to be got approved from the Engineer. In case Engineer -in-charge feels that some material /brand is not meeting the project requirements/client requirements or proper specifications, the same shall not be allowed even if its brand name is included in list of approved make/brand above. No claim of contractor on this account shall be entertained for difference in cost etc |
| 2 | Material where no make / brand has been mentioned, ISI marked samples shall be submitted by the Contractor for approval of Engineer. For those classes of materials, where no firm exists with ISI mark.   |
| 3 | <p>Sample of first quality material of the firm shall be submitted for the approval of the Engineer.</p> <p>Any variation from the above mentioned makes/brands will require specific approval of the Engineer.</p> <p>Equivalency of any item/material shall be determined by the present day cost of item/material. The items falling within plus / minus (<math>\pm</math>) 2% of cost shall be treated as equivalent. Rates shall be collected only from the main suppliers/manufactures for comparison</p>  |
| 4 | It will be contractors' responsibility to ensure the quality of products listed in approved list of brands. Contractor will have to replace the defective and substandard materials at his own cost.   |
| 5 | No material shall be used by the contractor as long as samples have been approved by Engineer/ Engineer-in-charge in writing and keep the record at site as per procedure  |
